The Great Toilet Germicide?  
You don't have to pay 50c or \$1.00 a pint for bactericidal antiseptics or germicide. You can make 14 pints of a more cleansing, germicidal, healing and deodorizing antiseptic solution with one 25c box of Paxtine—a soluble antiseptic powder, obtainable at any drug store.

Paxtine destroys germs that cause disease, decay and odor—that is why it is the best mouth wash and gargle, and why it purifies the breath, cleanses and preserves the teeth better than ordinary dentifrices, and in all cases bathing, and other disagreeable perspiration and other disagreeable body odors. Every dainty woman appreciates this and its many other useful and hygienic uses.

Paxtine is splendid for sore throat, inflamed eyes and to purify mouth and breath after smoking. You can get Paxtine Toilet Antiseptic at any drug store, price 25c and 50c, or by mail postpaid from The Paxtine Toilet Co., Boston, Mass., who will send you a free sample if you would like to try it before buying.

## MISS ELIZABETH BOGUE WON READING PRIZE.

Six Participated in Y. W. C. T. U. Contest in Bill Block.

The Anna M. Herr Y. W. C. T. U. closed its season for the summer by holding a reading contest on Friday evening at its rooms in the Bill block, in which the six different participants gave the judges a difficult task to select the prize winner. The evening afforded a pleasant entertainment for an audience of about thirty, and each of the selections used in the contest served to emphasize and improve the lessons of temperance and equal suffrage.

Mrs. J. J. Fields presided, and after the singing of the White Ribbon rally song and a prayer, the contestants were heard in the following order: "Promo," Miss Grace Harrison; "Going to Convention," Miss F. Lillian Post; "The Convict's Warning," Miss Arline Taylor; "A Temperance Sermon of Philip Strong's," Miss Elizabeth Wheeler; Fourth of July at Forest Hill, Miss Elizabeth Bogue; "The Fruit of Faith," Miss Letta M. Christmann.

Three musical selections were greatly enjoyed during the program, namely, a tenor solo, "Sing Me to Sleep," by George A. Turner, and the other two well rendered piano solos, "Love and Pearly of Fenn," by Miss Sybil Christmann.

The judges were Miss Jennie L. Spencer, Mrs. Joseph P. Cobb, and Rev. Robert F. True. While they were deliberating, Mrs. Fields spoke briefly of the work of the Y. W. C. T. U., outlining its different departments of activity.

The judges, through Miss Spencer, announced their decision in favor of Miss Elizabeth Bogue as the prize winner, with a commendable mention to Miss Post. The first prize was a gold bander Frances Willard pin, tied with white ribbon. Frances Willard pins of another design were presented to all the other contestants. The meeting closed with the singing of America.

## HELD FOR TRIAL IN SUPERIOR COURT.

Charged With Carnal Abuse of 16 Year Old Girl.

Joseph Fenner, 30 years old, was held over to the superior court for a justice trial in Niantic on the charge of carnal abuse of a 16 year old girl. In default of a bond of \$500, Fenner was committed to jail to await trial in September. The girl, who has been living with Fenner, says she is Belina Irene LaPorte of Peterboro, N. H.

Fenner was arrested in New London last week. He was under surveillance for some time and the town authorities had been trying to avoid prosecution by having Fenner and the girl leave the town. Her conduct was such that this was deemed the most humane way of treating the case. The girl's mother gave verbal consent, but the town clerk would not consider this as a license was applied for. Fenner previously claimed to have asked for formal consent, but this was probably too difficult for the mother of the girl to comprehend as necessary, for she wanted to send a properly attested certificate.

The trial of Fenner was presided over by Judge Marion R. Davis. Dr. P. H. Davis gave testimony as to the girl's condition. Mr. and Mrs. Charles H. Champion of Niantic Hill, with whom the couple lived, testified to their maintaining the relations of husband and wife. Fenner wished to offer no defense and Justice Davis found probable cause.

## CONFERENCE ON PLUMBERS' STRIKE.

Committees Met and Talked Over Matter, But No Action Taken.

At the Buckingham Memorial on Friday evening there was a meeting of the committee named by the Building Trades union and the committee from the Master Plumbers' association for the purpose of talking over the situation concerning the journeymen plumbers and the masters. The strike has now been on for over three months, with little likelihood of settlement. The agreement between the journeymen and the masters was reviewed, but it was stated at the end of the conference that nothing was done and that the matter stood as it did at the beginning. One master plumber stated that he saw no more possibility of a settlement than there had been for some time.

Before the papers were read, the W. C. T. U. cautions was conducted by several of the members, thus instructing the visitors in the general scope of the organization. Papers upon the following subjects were read: Why Headache Remedies Are Dangerous; Coco-Cola, a Drug Drink; An Indictment Against the Saloon; The Truth of the Matter in Regard to the Canteen.

Light refreshments were served by the hostess.

## TEACHER OF 35 WEDS HER YOUNG PUPIL

High School Teacher United Six Months Ago to Boy of 18.

Bay Shore, L. I., June 30.—It has come out that Miss Edith E. King, 35 years old, a teacher in the high school, was married six months ago to Charles W. Tutthill, who is only 18 years old, and who was one of her pupils in this year's graduating class.

The class went on a trip to Washington at the close of the school year instead of having graduation exercises. There were eighteen girls and boys in the party in charge of Prof. James W. Alexander. Miss King also went along. When the party started for home she and young Tutthill waited for a later train and didn't get back to Bayshore until the next morning. They went to the home of his mother, Mrs. Anna M. Edwards, and told her that they were married in Hoboken last New Year's. The youth said they kept the marriage secret because the fellows would kidnap him.

## OFFICERS RETURN FROM SCHOOL OF INSTRUCTION.

Spent Profitable Week at Fort Wright—Excellent Field for the Encampment.

On Friday evening the local officers returned from their tour of duty and school of instruction at Fort H. G. Wright, Fisher's Island. It proved very successful and all six officers of the two local companies and Major J. A. Hagberg were present. Captain Anderson was the instructor and he is a man thoroughly familiar with the entire work and has a special tact as instructor. There is probably no better one in the entire corps.

The officers were put through the work of range finding and the handling of the ten-inch guns. They also attended lectures.

It will be interesting to the members of the local companies to know that the field where they will have their camp during the week of July 26 to 29 is a fine grassy plot much like the camp grounds at Niantic, except that it is not quite as large. It is not far from the shore, the lighting of the surf being plainly heard. Many had thought it would be a sandy place, but this the officers found is not so. The week was a very profitable one.

On Friday morning the corps officers were taken to the freshman boat race and in the afternoon to the variety race on the government boat. They had an excellent view of the races and were much interested in the aeroplanes, having had a fine view of that as it swept over the course. It was first distinguished coming from the east by Captain Tarbox, who thought it was a large hawk.
